

VICINITY MAP

Interpretive Kiosks Northwest Louisiana Scenic Byway

State Project No. 745-94-0005

Caddo, Bossier, Webster, & Claiborne Parishes

Total Estimated Construction Cost is \$ 280,000

Total Federal Recovery Funds is \$208,000

This project will have informational kiosks located in Vivian, Plain Dealing, Sarepta, and Homer.

This project will include interpretive panels at four kiosk locations that will entice travelers to continue along the byway by providing a brief history of the Parish in which each is located, a map of the scenic byway, its intrinsic qualities, historical significance and nearby attractions points of interest. Scenes of wildlife, rivers, bayous, and streams will provide visitors with information on the varied sites as well as recreation along the byway.
